## Supporting Three Taxi Charities by Running 4 Marathons

*(Between them!)*

Three friends, Maurice Reid, Pauline Newton and Greg Hilliard will, between them, be running four road marathons (a total of over 100 miles!) in support of three regional children's charities operated by taxi drivers throughout the UK.

Greg Hilliard    Pauline Newton    Maurice Reid

Maurice has worked in taxi equipment businesses for nearly 20 years, and he felt that it was time he lent his support to some of the incredible efforts of ordinary taxi drivers and their friends and families.

Pauline and Greg are fellow members of the Newport and District Running Club in Shropshire who offered to lend their support.
